+ 44 (0)800 169 3266

<p>Cost</p>	<p>From £995</p>
<p>Up to 5 pages comprising: 1x Home Page. 1x Contact Page. Up to 3 further pages of descriptive / graphical content.</p> <p>Graphical Menu Buttons. Further design on website adding colour and presentation.</p> <p>(For each further page please add £95)</p>	

### **What's Included in the Graphical Website Design?**

Graphical Website Design includes all the elements detailed in Basic Website Design (B001) but with extra graphical design built in.

The design of the overall website is discussed with the client. Colours and design are usually based around the company, its services or products and it's logo however discussion with the client will always decipher exactly how the website will look.

### **Other Areas of Web Design provided by UK Superweb Online**

- B004 - Additional Elements to Basic & Graphical Website Design.
- B001 - Basic Website Design.
- B003 - Bespoke Website Design.
